

2014 Grazing Rotation Schedule for:

Williams C&H & Munsey C&H

Pastures:	Days:	Dates:
Lower Munsey & Plantation	15	6/15-6/29
North Half Munsey	25	6/30-7/24
South Half Williams Creek	37	7/25 – 8/30
North Half Williams Creek	41	8/31 – 10/10

The actual season will be dependent on conditions on the ground due to current weather, range inspections and previous year grazing impacts. This grazing rotation is intended to be flexible. Actual move dates are approximate and will depend on soil moisture conditions, forage utilization and/or plant regrowth.
